

EMAIL CONSENT FORM

The Rural Municipality of Prince Albert No. 461 offers residents the opportunity to receive specific municipal notices as attachments in an e-mail rather than by regular mail.

Transmitting information by e-mail has several risks that residents should be aware of. These include, but are not limited to, the following:

- E-mail can be circulated, forwarded, and stored in numerous paper and electronic files.
- E-mail can broadcast worldwide and be received by many intended and unintended recipients.
- E-mail senders can misaddress an email.
- E-mail is easier to falsify than handwritten or signed documents.
- E-mail can be intercepted, altered, forwarded, or used without authorization or detection.
- E-mail can be used to introduce viruses into computer systems.
- E-mail can be used as evidence in court.

The Rural Municipality of Prince Albert No. 461 will use reasonable means to protect the security and confidentiality of e-mail information sent and received. However, with the risks outlined above, the Municipality cannot guarantee the security and confidentiality of e-mail communication and will not be liable for improper disclosure of confidential information.

Consent to the use of e-mail for the delivery of municipal notices include agreement with the following:

1. Failure to receive an e-mailed municipal notice does not release me from my responsibility to pay any changes specified on the notice, or any penalties which may be incurred by late payment.
2. I will inform the Rural Municipality of Prince Albert No. 461 of any change in my e-mail address at the earliest convenience, to prevent misdirection of notices and reduce the risk of me not receiving a notice.
3. I may withdraw from e-mail delivery at any time and opt for regular mail instead. To do so I will inform the Rural Municipality of Prince Albert No. 461 of this change.
